Outdoor Imagination

If you can imagine it, we can create it. Topeka Landscape has been building relationships through **landscape design, installation, and maintenance** since 1994, giving us the experience to handle any project on any budget.

Our goal is to consistently provide high-quality landscape solutions to not only enhance the value of your home, but are aesthetically pleasing, imaginative, properly installed, and tailored to your personal style. There is no job too big or too small: let us bring your *outdoor imagination* to life.

Landscape Design and Installation

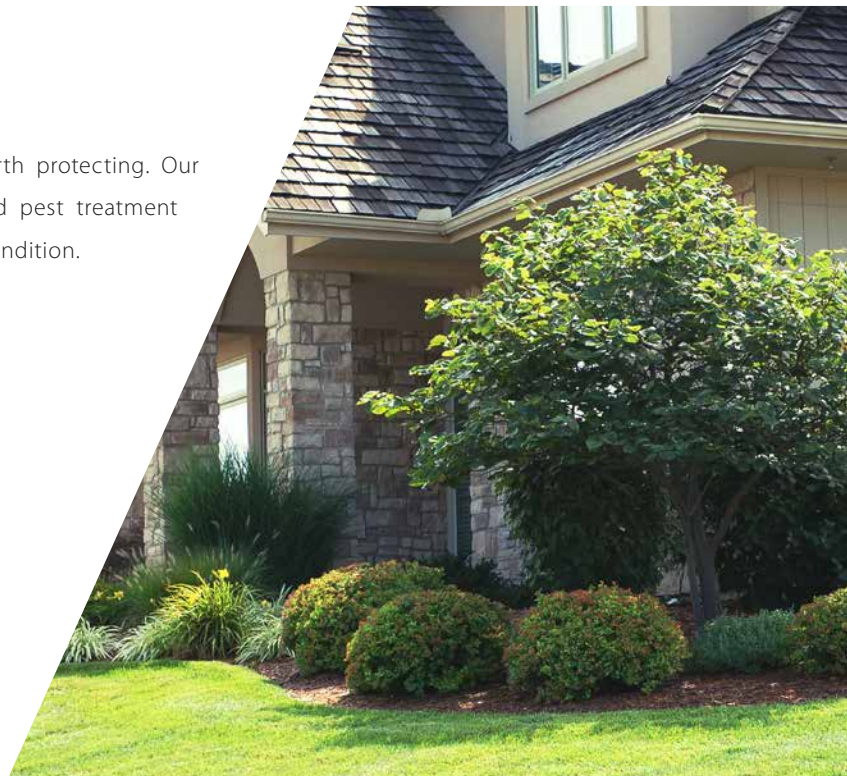

Custom landscape design brings more than just beauty and comfort to your home; they add value to one of your largest long-term investments. Our professional team of landscape designers has the experience and skill to provide the finest design concepts. Turn your outdoor living space into an extension of your home by incorporating walkways, patios, outdoor lighting, fire pits, and much more. Visit our website to view our gallery of work!

- **Trees and shrubs**
- **Retaining walls and steps**

- **Outdoor lighting**
- **Fences, woodwork, and benches**
- **Patios and driveways**
- **Sidewalks and pathways**
- **Water features**

Tree, Shrub, and Bed Care

Your trees and shrubs represent a growing investment worth protecting. Our program of scheduled inspection, pruning, fertilization, and pest treatment helps keep all your ornamentals healthy and in top growing condition.

- **Spring and fall clean ups**
- **Plant installation and removal**
- **Shrub and ornamental tree pruning**
- **Bed edging and mulching**
- **Weed pulling and pre-emergent**
- **Soil amendments**

Lawn Care

From scheduled lawn mowing to seasonal clean ups, we provide many on-going services, 365 days a year. We believe you should spend more time enjoying your outdoor living space and less time mowing, picking up leaves, and weeding it. For your existing lawn we are able to provide a full range of fertilization and pest control. Our registered, certified pesticide applicators have the experience to control any weed or insect problem that may develop. Our team of experts will consult with you and help you make the right decision based on your specific needs.

- Fertilization
- Mowing
- Weed control
- Turf seed and sod installation
- Aeration
- Over-seeding

Irrigation Systems

Properly designed irrigation systems conserve water and save you time and money. Keeping microclimates in mind, we design and install irrigation systems that match precipitation rates to reduce waste and improve the health of your lawn and landscape. Our experienced team is also here to maintain your system by providing spring turn-ons, backflow testing, and winterizations in the fall. Topeka Landscape is proud to partner with Hunter®, Rain Bird®, Toro®, and Weathermatic® to bring you the highest quality irrigation systems on the market. Take the hassle out of keeping your landscape looking luscious!

- Irrigation installation for lawns and planting beds
- Service and repair
- Design
- Spring turn-ons and winterization

Count on it.
